

Good Friday

Normally we encourage you to visit and spend time talking with others as you come in and when you leave our Church. *Tonight is different.* Tonight is about reflection. Reflecting on the day Jesus suffered so much. As you come in sit quietly. You might ask yourself, why would Jesus willing go though all that pain? How has that Friday, almost two thousand years ago, shaped your life? At the conclusion of service we would like for everyone to leave in silence.
